

Crane Operator Competency Evaluations

Confirm your crane operators are ready for the equipment and site they work on with on-site competency evaluations from Bigfoot Academy.

-  academy.bigfootcrane.com

Bigfoot Academy's Crane Operator Competency Evaluations help employers confirm that their certified operators have the knowledge, practical ability, and site-specific understanding needed to safely operate their assigned crane. Delivered on-site using your equipment and work environment, each evaluation reviews key theory and practical skills, then provides supervisors with clear documentation outlining the operator's strengths, areas for improvement, and next steps if refresher training is required.

Duration and Rates for Full Scope Certified Operators:

✔ Folding Boom Cranes

- \$2,950.00 + GST → 1-Day Duration
- Fee includes 4 Operator Evaluations at the same location

- \$2,950.00 + GST → 1-Day Duration
- Fee includes 2 Operator Evaluations at the same location

Theory Knowledge

- Provisional Operator Supervision Plan
- Maintenance / Documentation
- Responsibilities
- Rigging Capacity Calculations
- Rigging Inspection and Rejection Criteria
- Critical Lifts as per WorkSafeBC (and completion of forms)
- OHS Knowledge
- Emergency Preparedness
- Communication Knowledge
- Rigging Chart Interpretation
- Load chart Interpretation
- Dedicated Emergency Platforms
- Electrical Safety

Practical Knowledge

- Crane Manual and Configuration
- Maintenance Requirements
- Pre-Shift Operations
- Safe Operating Practices
- Compliance Systems
- Shut Down Procedures
- Logbook & Inspection Compliance
- Hazard Assessment
- Testing and Inspections
- Crane Operation
- Demonstrating Load Control (With and without a load)
